Case Number: AF 09-0688

December 2, 2016

Dear Justices,

It is my understanding that the ABA has made an addition to the rules of conduct for their members, and that you are seeking public comment on same.

In reading the addition, it sounds to me that the ABA is striking down the First Amendment rights of all attorneys under their authority, specifically freedom of speech and freedom of conscience. Clearly that flies in the face of the U.S. Constitution and our justice system.

Please do NOT impose this injustice upon Montana's lawyers.

Sincerely,

Daniel Jacobs
